Dear Parent and/or Guardian,

Costumes: Some of the costumes for this show have come from home; however, every cast member also has items that have been rented for this show. It would be best if each student had a clearly labeled bag for his or her personal items. Any items that are rented from the costume shop must remain in the theater after the final performance.

All costumes that are rented MUST be returned immediately after the final show.

Items needed from home:

Full cast: Black Pants / Leggings, etc. (navy blue is fine if it is dark enough)
Black shoes (flats) / sneakers
Wickershams – white tee shirt

Make-up: If possible, makeup and hair should be done at home. There will be parents on hand to help anyone who needs to be made up here.

Tickets: Tickets will cost \$5.00 for students and adults; Senior Citizens are admitted free.
Tickets can be purchased at the door for each performance.
Tickets are not sold in advance. Seating is general admission.
Doors to the theater will open to the audience at 7:00.

Attendance: It is imperative that students attend **ALL** remaining rehearsals and both performances.

Your children have worked very hard over the past six weeks and are eager and excited to perform for you. I have no doubt that you will be as proud of them as we are. We look forward to seeing you at the show.

Sincerely,
